

About Our Hotel.

Opened August 7, 2008

Whether traveling for business or fun, Courtyard by Marriott® makes all of your travels successful by providing exactly what you need: spacious, thoughtful guest rooms; a hot breakfast buffet and services that help you be more productive and comfortable.

Be our Guest.

Designed by business travelers, Courtyard by Marriott provides guests with a combination of casual comfort and an array of the most valued guest services. Our hotel features functionally superior guest rooms which include amenities such as: individual climate control, coffee maker, refrigerator, iron and iron board, luxury bedding, down/feather and foam pillows, pay-per-view and cable television (HBO, CNN, ESPN), hair dryer, and complimentary high-speed and wireless internet.

Let us entertain you.

In addition to being located in the new Pearland Town Center (www.pearlandtowncenter.com), you will be able to experience Houston's rich culture without the hassles of staying in a big city. We are located minutes away from many of Houston's most popular local attractions and venues.

Entertainment and Attractions:
